By March 2nd via your Grass Roots  
Sales Representative

In the Summer of 2014, we moved our Lawn & Sports Turf operation out of Suite 14 and into Suite 8. This move allowed us to put the Golf Department and the Lawn & Sports Turf Department in neighboring units. Our goal was to better improve efficiencies and gain significant warehouse space. We are proud of what we've done and are happy to show it off! We hope you are able to attend this Winter Open House & Seminar on Friday March 6th to see what we've done to better serve our loyal customers.
